Dear Resident

### **SECURITY – OPENING VILLAGE MAIN GATE AFTER HOURS**

It was noted at the residents' meeting held on Wednesday, 16 May that there was concern about safety when returning home after 8pm as the main gates are closed.

It was suggested that residents call the Village land line (after hours) on **021 713 7860** or phone the security cell phone number **072 859 2143** in advance to alert them of your return. This will allow them time to open the gate for quick access to the village.

Yours sincerely

Christine Dempers  
Village Manager
