

Circular 21 - 2018

22 May 2018

Dear Resident

## PROJECT DEVELOPMENT UPDATE

**Houses:** The civil work component and setting out of the houses has been completed. The foundation brick work is now underway.

**Apartments:** The demolition work has been completed. The final tree felling work will be done by tomorrow. The excavation/earthworks will start tomorrow and should completed in approximately fifteen days.

Please call me if you have any queries or wish to discuss any aspect of the developments.

Yours sincerely
