

Circular 22 – 2018

18 June 2018

Dear Resident

MARKUS ELMAU – WHITE CLIFFS

I am very sorry to inform you that Markus was involved in a terrible accident while repairing a filter at a 'private' site. He has unfortunately lost the vision in his left eye.

Please note that he will personally not be available for the next three weeks. Please do not hesitate to contact Christine or myself, we will in turn liaise with Philemon regarding any residents landscaping queries.

Yours sincerely

Andréa Abrahams
Village Administrator
