

08 March 2019

Circular 4 - 2019

Dear Residents

SITE SURVEY

A site-visit and survey of all houses within the village will be undertaken by Biff Lewis Geomatics Inc. between 11 March 2019 and 25 March 2019 from 08:00 to 17:00 on weekdays only.

This forms part of our efforts to correctly record all building information within the village. Biff Lewis Geomatics Inc. staff may require access to the unit to ensure that everything is captured properly. In this event, we will contact you to make an appointment.

We thank you for your co-operation.

Yours faithfully

Christine Dempers
Village Manager
