

EVERGREEN VILLAGE, BERGVLIET – NOTICE OF RESIDENTS MEETING TO BE HELD

MONDAY 24<sup>TH</sup> JUNE AT 3 P.M.

Dear Residents.

My reason for asking you all to join me at a meeting of the residents of the village on the 24<sup>th</sup> June is to ask for your review and approval to re-introduce the Residents Committee (RESCOM) and to change the name of the committee from its current name of MANCOM.

Below is a short synopsis on the proposed change in order for you all to peruse and digest. Your input is important and I hope we reach a happy conclusion.

The main function of RESCOM will be to ensure that all Villagers needs, requests, problems are dealt with swiftly which in turn will make for a happy and contented village environment.

A RESCOM meeting will be held every 2/3 months made up of 7 committee members from the village with appropriate portfolios plus one, possibly two members from The Evergreen Management.

Evergreen Management will hold a MANCOM meeting at least 4 times per year with 6 representatives two of which will be RESCOM members plus, by invitation, an additional representative from the Village.

Situations that have not been resolved by RESCOM (or any other problem) will be discussed at these meetings and hopefully results reached to everyone's satisfaction".

The above, I genuinely and hopefully feel, will make for a stronger bond and better insight and understanding between Evergreen and the Village.

If there are any other situations, questions or suggestions you would like to be raised please let me know and I will make sure they are listed.

Thank you,

Joan Misplon

Chairman
