

Circular 13 - 2019

28 June 2019

Dear Resident

RATE INCREASE FOR DOMESTIC AND UTILITY SERVICES – 01 JULY 2019

Please note that our domestic worker and utility service rates will increased from R47 per hour respectively to R50 per hour with immediate effect.

Should you cancel the domestic service on the day it is booked, it will unfortunately have to be charged out.

Our services get charged out in arrears and so this increase will only reflect on your August levy statements.

Please contact reception to book either your domestic service or utility/general service.

Kind regards
Yours sincerely

Christine Dempers
