

## TRAFFIC FLOW IN BERVLIET VILLAGE – 08 January 2020

**ALL Vehicles are required to travel down the main road from guardhouse past the clubhouse, up to the apartments and out of the village in a CIRCULAR direction. (Refer diagram above).**

- Please keep roads clear at all times and do not park your cars, or allow your visitors' cars to be parked in the road around the island at unit 40 and up to unit 47; or from unit 48 to units 51- 56/57 and unit 60-65. It is a safety risk.
- Visitors/residents may park their vehicles at the end of the main road in the newly created temporary parking bays
- Residents going to units 60-65 must also please travel all the way around, keeping left around the island past units 40 and 42/52 and Residents travelling out of the village from 36-40 must follow this route as well.
- Remember to drive slowly (max speed 20km) and also be on the lookout for pedestrians
