

2020 Photographic Competition

These are a few of my favourite things

What are your favourite things?

Our 2020 Evergreen Photo Competition is a personal journey.

We want to see the world through your eyes. The objects, places, animals, and views that make your heart sing and fill your heart with joy. As you head into the holiday season, we're sure that you'll be able to find your favourite things - all we ask is that you take wonderful pictures of them, and send them in from March.

The monthly themes are as follows:

March: Food

April: Bridges

May: Flowers

June: Birds

July: Mountains

August: Rivers

September: Animals

October: Towns

As with last year, the two most important rules are that it must be your own photos, and you can enter only one each month. Each month's entries close at midnight on the last day of that month. With each entry, we require you to send your **name, village, and a caption**. This will help us immensely.

Send your entries to photos@evergreenlifestyle.co.za. Winners will be announced in December 2020.

Happy holidays and happy snapping!

BIRDS:

During the month of May, as we've been isolating, we've noticed that, more and more, nature is returning to our lives. Particularly birds - we're seeing some beautiful birds returning to our cities and villages.

If you see any birds in your garden, take a picture and send it to us. We'd love to see both the birds, and your skills.

REMEMBER:

You can photograph anything you want, as long as it's a bird. The two most important rules are that it must be your own photo, and you can enter only one each month. Each month's entries close at midnight on the last day of the month.

HOW TO ENTER:

With each entry, we require you to send your name, village, and a caption. This will help us immensely.
