

2020 Photographic Competition

These are a few of my favourite things

What are your favourite things?

Our 2020 Evergreen Photo Competition is a personal journey.

We want to see the world through your eyes. The objects, places, animals, and views that make your heart sing and fill your heart with joy. As you head into the holiday season, we're sure that you'll be able to find your favourite things - all we ask is that you take wonderful pictures of them, and send them in from March.

The monthly themes are as follows:

March: Food

April: Bridges

May: Flowers

June: Birds

July: Mountains

August: Rivers

September: Animals

October: Towns

As with last year, the two most important rules are that it must be your own photos, and you can enter only one each month. Each month's entries close at midnight on the last day of that month. With each entry, we require you to send your **name, village, and a caption**. This will help us immensely.

Send your entries to photos@evergreenlifestyle.co.za. Winners will be announced in December 2020.

Happy holidays and happy snapping!

These are a few of my favourite things

RIVERS:

While we're still not able to get out into nature, our photographic competition is going full-steam ahead. This month we're celebrating rivers and flowing water. Water is such an incredible force of nature, and we can't wait to see the wonderful pictures you'll take of local rivers and streams. In order to be as fair as possible, a dry river bed also counts

REMEMBER:

You can photograph anything you want, as long as it's a river, stream, flowing water, or dry river bed. The two most important rules are that it must be your own photo, and you can enter only one each month. Each month's entries close at midnight on the last day of the month.

HOW TO ENTER:

With each entry, we require you to send your name, village, and a caption. This will help us immensely.

Send your entries to photos@evergreenlifestyle.co.za. Winners will be announced in December 2020.

Happy snapping!
