

Circular 43-2020

24 August 2020

Dear Resident,

Annual Levy Increase 2020

As per your life right agreement levies are set for an annual increase from 1 September each year.

We have been informed by StatsSA that the CPI figure will only be realised on or around 26 August, traditionally it would be realised around the 20th of the month. This has had a negative effect on the administration process of sending out increase letters and levy statements.

As soon after this figure is released on the 26th we will forward a letter notifying you of the increase applicable to your levies.

The actual rand value of the increase will be reflected on your September 2020 levy statement.

Thank you for your patience and understanding in this regard.

Yours sincerely,

Christine Dempers
