

Circular 47-2020

Dear Resident,

## **MOTOR VEHICLE LICENCE EXPIRATION AND LICENCE DISC RENEWAL**

We have had a few enquiries about resident's whose motor vehicle licences are expiring soon. Please see the below extract from the Government Gazette with regards to driver's licence cards being given grace until 31 January 2021 and motor vehicle licences being given grace till end August 2020 only.

### **"6. Validity period of licences**

- (1) All learner's licences, driving licence cards, temporary driving licences and professional driving permits that expire during the period that commenced from 26 March 2020 up to and including 31 August 2020 are deemed to be valid and their validity period is extended for a further grace period ending on 31 January 2021.
- (2) All motor vehicle licence discs, temporary permits and roadworthy certificates that expired during the period that commenced from 26 March 2020 up to and including 31 May 2020 are deemed to be valid and their validity period is extended for a further grace period ending on 31 August 2020.
- (3) Motor trade number licences that expired during the period that commenced from 26 March 2020 up to and including 31 May 2020 are deemed to be valid and are extended for a further grace period ending on 30 November 2020."

For those whose vehicle licence discs expires this year from 26 March and up to and including 31 August needs to be renewed before the end of August 2020. However, vehicle licence discs that expire in September will need to be renewed before the end of September 2020 to avoid penalties and possible fines.
