Account Details

We have pleasure in advising all residents that prepaid accounts & credit card facilities are available.

We are a cashless facility & No Cash will be Accepted

How does the prepaid account work?

Resident can pre-load credit onto their account via EFT or Card Payments.

After each transaction made, residents will receive a slip for items taken on account & a signed copy will be kept with us as proof of purchase.

A monthly debtor statement will be available upon request for residents to reference.

EFT Payments:

Please supply us with a proof of payment made via EFT. This helps us to update your account immediately and not having to wait for our busy accounts department for confirmation.
