

Provide a gift and make them happy this Xmas

Evergreen Bergvliet has partnered with local non-profit community organisation in Bishop Lavis to offer a gift to a senior citizen who might not otherwise receive a present this Christmas season.

There are 19 men and 32 women in this old age home.

We are requesting that our residents participate in the initiative individually or form a group to buy a gift or collect small items to pack into a Christmas shoe box or fabric bag.

Clothing that's easy to get on and off: cotton socks, slippers, track suits, knitted scarfs and beanies, pyjamas or nighties, slippers or non-slip socks or a soft, cuddly throw blanket for the bed or chair

Basic toiletries (most items should be for sensitive skin): face cloth, soap, shampoo, body lotion, soft toothbrush, toothpaste, shaving cream

Audio books and a small audio player CDs and DVDs of their favourite songs, movies and TV shows.

Adult colouring books and rayons, plastic blunt-tipped scissors, puzzles, paint-by-number, wool and knitting supplies

Bird Feeders and the seed to refill them

Reading material – large print books and magazines; games like scrabble, dominoes and crossword puzzles, a deck of playing cards

snacks and sweet treats: chocolate, chips, biscuits, biltong, dried fruits, vitamin rich sweets like Super C or Energade gums.

Be sure to identify your present with a small label to include information on whether it's for a man or woman – this will make it easier for handing over the present. Please hand your gift to reception by no later than 12-noon on Monday, 14 December 2020, so that we can deliver them to the old age home office for distribution.

Please contact Reception on Ext 300 if you require any additional information
