

The Alpha Course is a way to unpack the basics of the Christian faith in an updated and engaging way. Nicky Gumbel, an Anglican priest and author, developed the Alpha Course which is supported by churches of many Christian traditions. It creates a space where people are excited to have a conversation and engage about faith, life and God.

Led by Brenda Stauch (Unit 37), this is a three month course relating to Christianity. You do not have to be a Christian to attend, just have an open and enquiring mind.
