

MEN'S *breakfast*

Time: 9:30am
Cost: R100pp

THURSDAY, 6 MAY **Guest Speaker** **PROF. MIKE BRUTON**

'Professor Mike Bruton was born and educated in South Africa, where he obtained his PhD degree from Rhodes University.

Professor Bruton initially followed a career in marine biology but, over the past two decades, has focused on science centre and museum design and development, the psychology of learning, and the history of Islamic science.

'Mike Bruton Imagineering' is a new chapter in Professor Bruton's career where he plans to use all the knowledge he has gained over his extensive career to guide and provide services in the fields of authorship, science centre development, aquatic research management, Imagineering as well as to inspire with informative talks on science, technology and the environment.'
