

Men's Breakfast welcomes Andre Van Kets

Co-founder of safari travel company
DiscoverAfrica.com

Andre will be talking about ***TrekSouthAfrica***
a project which enabled more than 200
South African volunteers to hike trails in
South Africa's 19 national parks with
Google's 22kg 'Trekker' backpack camera,
collectively adding 170 of South Africa's most
spectacular hiking trails and tourism
attractions onto Google's StreetView.
