

BUY A CHRISTMAS GIFT FOR AN UNDERPRIVILEGED CHILD AGE 6-12

Every year Hope House holds Christmas Parties for children from very disadvantaged backgrounds. Over the last 18 months, many of these children's parents have lost whatever income they had. We would love to bring some joy to these children at Christmas time, which otherwise they would not have. It is through the generosity of the Evergreen residents, that we are able to bring joy to these children.

Wrap the gift and clearly mark on a label whether it's for a boy or a girl and identify age.

Place it in the gift box provided at reception.

DEADLINE:
