

## **Provide a gift and make them happy this Christmas**

Every year Hope House holds Christmas Parties for children from very disadvantaged backgrounds. Over the last 18 months, many of these children's parents have lost whatever income they had. We would love to bring some joy to these children at Christmas time, which otherwise they would not have. It is through the generosity of the Evergreen residents, that we are able to bring joy to these children.

The ages are as follow: 6-7yrs; 8-9yrs; 9-10yrs & 11-12yrs for both boys and girls. Anything suitable that doesn't need batteries for the above ages (R200 price range), toiletries, clothing and/or underwear.

Be sure to identify your present with a small label, to include information on whether it's for a boy or girl and the age group. Please drop your gift in the designated box at reception.
