Dear Residents,

## HEALTH CARE UPDATE

We would like to inform you that as of today, Enrolled Nurse Zuko Mkalipi, is no longer a member of the Evergreen Health Team.

Zuko has been an intricate part of the team for the last two years and we would like to thank him for his valuable service during this time. All of us at Bergvliet wish him all the very best in his future endeavours.

Sister Lorraine Powell, our Registered Nurse from Muizenberg, will be temporarily relieving at Bergvliet until further notice.

Sincerely,

Village Management.
