***FRIDAY, 28th
October 6pm***

Join us for our popular social event Friday, 28 October from 6pm. Please book at reception on EXT3200 for catering purposes or to buy a book of tickets for R100.

We have recently purchased 3 compost bins for the village! Instead of throwing away your household organic waste, including fruit and vegetable waste, eggshells, tea bags, leaves, etc. we can use them to generate compost for our Evergreen Bergvliet gardens.

Good compost feeds nutrients back into the soil, retains moisture and can help establish a healthy garden. Collection will be every Wednesday with recycling. Please place in a separate bag for collection.
