Dear Resident,

**Change in Village Management – Evergreen Bergvliet**

As our business is ever growing it has necessitated us reviewing our management structures to accommodate these changes.

I would like to hereby inform you that Bronwyn Davis, Evergreen Bergvliet Village Manager, will be moving to Evergreen Head Office to take up a brand-new role and will be replaced by Riaan Gouws, the current Village Manager at Evergreen Noordhoek Village as of Tuesday 2 May 2023.

Bronwyn has done an exceptional job as Village Manager, taking over the leadership of the village during a difficult time. She has been responsible for re-energizing the staff and for arranging some excellent social events in the village. Her focus on resident happiness and staff satisfaction is evident in the positive atmosphere in the village.

Evergreen Lifestyle Villages is extremely proud of Bronwyn and I am sure she will be sorely missed; I am equally excited to see the value she will add to her new role at our Head Office.

Bronwyn will, over the remainder of this month, be attending to a handover process at Evergreen Bergvliet with Riaan, as well as taking up some responsibilities of her new role.

Riaan has been managing the Evergreen Noordhoek Village for the past three years where he has added great value to the lives of the residents, staff, and the business itself. He has an impressive C.V which include Operations Manager of the Arabella Hotel and Spa, Director of Events at the Westin Hotel and Head of Food and Beverage at the Taj Hotel in Cape Town.

Please join me in wishing Bronwyn well as she moves in to her new role and equally welcoming Riaan to Evergreen Bergvliet as the new Village Manager.

An event for residents and staff will be arranged to welcome Riaan and wish Bronwyn farewell shortly.

Yours Faithfully,

Garry Reed
