WHAT'S HAPPENING

"Nothing can stop the man with the right mental attitude from achieving his goal; nothing on earth can help the man with the wrong mental attitude".

THOMAS JEFFERSON

Dear Residents,

I trust you've all had a good week.

I would like to start with a big thank you to everyone who attended this week's social events. On Wednesday night we had an amazing turnout for our last Social Dinner before the Bistro closes. We said we wanted to go out with a bang and we certainly did. With just short of 50 residents and an amazing atmosphere, we didn't even need the fireplace to warm our hearts.

This morning, the Resident Walk was also a great success and not even the rain could stop the enthusiasm of all who participated. Well done to you all! Tonight we end the week on a high with another fully booked Quiz Night. If these numbers are anything to go by I think we can be really excited to see what we can do with warmer weather and new-look Clubhouse.

Regarding the arrangements for next week and the planned move to our "temporary home" in house 24, you will notice on the Activities page that I have indicated which activities will be taking place and where based on our moving schedule.

As you can imagine there are some logistics involved in moving into a smaller space but as promised we will do our best to allow for as many of our regular activities to continue. We will start moving what we can from Monday with the library following from Tuesday. The office and reception move is planned for Wednesday/Thursday, with the rest following also on Thursday to be ready for the day's activities.

I would like to ask for everyone's support - and maybe a little bit of patience - next week while we move things around.

Last but not least, just because the week wasn't offering enough of a challenge, we will also have 2 new team members joining us from Monday. Shaakirah Davids will join Melvinita on reception duty and Brian Maneli will join the Utilities team. A couple of extra hands will certainly go along way in helping us maintain great levels of service and in assisting you all in a "simpler, better and faster" way.

Wishing you all a wonderful weekend!

Regards,
Riaan and the Evergreen Team

This month the "SWIGS" will enjoy the company of Andre Badenhorst, father of renowned South African wine maker Adi Badenhorst.

We are looking forward to tasting some great wines and to listening to all the stories stretching across 3 generations of Badenhorst men starting, from Oom Japie (Grandfather) at Groot Constantia.

THE RUGBY CHAMPIONSHIP

Although we will have relocated to our temporary home in house 24 by the 8th, the "rugby show" must go on.
