

Sally-Ann CREED®

Black Friday Sale

Join us on Friday 10 November, 10 - 12pm
and save up to 50% off our range
of products to keep your body and mind
as young as you feel!

Sally-Ann Creed Pure Hydrolysed Collagen is made from the finest quality non-GMO, grass-fed bovine collagen. It's a natural blend of type 1 and type 3 collagen that is 100% hydrolysed, allowing it to be easily absorbed by the body, delivering the optimal amount of pure nutrients. Sally-Ann was the first to bring her original, high-quality collagen that is pure, with no additives or nasties.
