

10 March 2025

Dear Residents,

NOTICE: 2025 LEVY INCREASES

Residents whose annual levy increase is in March, would have noticed that no increase has been put through to date.

Management has presented the Village Budget to Rescom and subsequently Rescom has set up a Village Residents meeting for 18 March to discuss the budget and levy increases.

Post this meeting, Village Management will proceed with processing the annual increases, back dated to 1 March.

Thank you for your understanding in this regard.

Regards,
Riaan Gouws
Village Manager
