

# WARD 96

## Meet your Candidate

### Sbusiso Mthembu

Dear Ward 96 Voter

#### **Municipal Election 2016 – Status of Ward 96**

The DA won Ward 96 in 2011 with a small majority and Councillor Matome Mafokwane was elected as your councillor. In the 2014 General Election the DA substantially increased its majority.

The position in 2016 is different. The Ward boundaries have changed by excluding some safe DA voting districts and bringing in a small section of Diepsloot. This renders the Ward marginal for the DA.

Nevertheless, the Ward is still winnable. The DA had a very successful voter registration campaign in March and April. By comparison, the ANC campaign was less successful.

On 3rd August, 2016, we can win this Ward if every single DA supporter turns out to vote.

#### **Our DA Candidate**

Sbu Mthembu has been a resident of Broadacres since 2012.

Born in Mpumalanga in 1976, Sbu is the third born of six children. He went to school in the small village of Empuluzi.

A family man with one son aged 5 years old, Sbusiso respects and believes in the value of family as a firm foundation.

When elected as Councillor for Ward 96, Sbusiso will work for:

Please vote for the DA and for Sbusiso Mthembu.

Yours Sincerely
