Dear Residents,

Re: Reinforcing of retaining wall in Phase 3

In advance we apologise for any inconvenience that may be experienced during this time and during the time of the construction of the wall in Phase 3.

Work on the retaining wall at the top of Phase 3 will commence today.

Sections of the top road in phase 3 will be blocked off to ensure the work continues with as little disturbance to the residents in phase 3.

Contractors will be traversing through the village to complete this work.

Security within the Village will remain of critical importance.

Let's work Together to make "The Village of Our Dreams".

Regards,

Roy Martin
Village Manager
