

COMMUNIQUÉ

Being a special communication to residents

28th July, 2016

Good day to all fellow Evergreen Broadacres residents

IMPORTANT NOTICE RE COMPOST STATION

The compost station will shortly be moved to clear the site for Tyris' construction site establishment and has been closed. The station will be moved to the bottom corner of the parkland, beyond the blue gum trees.

In the meantime, 2 green, plastic composting bins have been set up behind the recycling station. So to all those residents who have been dropping their kitchen compostable in the composting station, please use these bins until the new site is established.
