

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE

Being a communication to residents on important issues

12th August 2016

Dear fellow Residents,

Your ResCom met yesterday as planned and we have a couple of things to share with you as a result of our deliberations...

1. **NEW PORTFOLIO:** We have decided there is a need to have someone focusing on a number of the projects we have started to assist the VM, is getting them done expediently. To this end, Basil Bold (unit 90) was identified as an ideal person to fulfill this role and I am delighted to say he has accepted and is now a fully co-opted member of ResCom.
2. **DOGS OFF LEECH AREA:** It has been agreed that the area on the north east corner of the property (below unit 70) be temporarily designated as the area where dogs can roam freely and socialise. However, it is still incumbent on owners to pick up the poo as we don't want it to become a doggie toilet fly infested wasteland.
3. Once again residents are encouraged to purchase fire blankets as a precaution. They are available from any Builders Warehouse and most hardware stores.
4. Our next ResCom meeting has been moved from the 2nd Thursday in September to the 3rd one i.e. 15th September.

Our best regards to you all as ever,
Evergreen Broadacres ResCom
