

**Circular 17-2016**

1 October 2016

Dear Evergreen Resident

**ACCESS ACROSS CULVERT BELOW NEW CLUB HOUSE SITE**

It has come to our attention that Residents want access across the culvert in-front of the New Club House site and adjacent to the wetland creating a circular walking route around the village.

We are not able to build a pathway in this area as it is a dangerous route. We discourage you all from using this route as the surface is uneven, slippery and very dangerous.

Please be aware we do not condone using this route as a walkway, should you decide to use this route as a walkway you do so at your own risk.

We strongly suggest that you stick to the designated roadways.

Kind regards

**Roy Martin**  
Village Manager
