Re Dick Townsend

Dear fellow residents,

I went to see Dick yesterday morning following his major surgery and return home. He has been through a considerable amount and faces much recuperation time followed by chemo. Obviously it has been a shock to the system and very stressful. He has asked me to allow him a sabbatical at least until the next Residents Annual Meeting. I have agreed to this so with immediate effect he will no longer be directly involved in any ResCom nor ManCom matters. Please let us all respect his request and his privacy at this time.

I have found Dick to be a tower of strength particularly in the governance issues and matters. His approach has always been with the residents interests at heart. Dick, for all of your time, concern, advice and good relationships - I thank you most sincerely and I am sure I speak for all of ResCom and ManCom as well as the residents.

We wish you a complete and speedy recovery. You will be missed in the processes but we look forward to seeing you at the various function, events and socials soon.

Should anyone be interested in offering their services in governance matters please contact any one of the members of ResCom.

Best regards,
Graham Langmead
