New Bistro all day menu

Dear fellow residents,

I am pleased to say that our catering team has worked in tandem with the Bistro folk and we now have a new menu for daytime meals and snacks. So... let's show our appreciation by supporting them.

NOTE: It is in addition to the daily meals advised weekly!

There is a breakfast menu available from 8am to 11 am followed by a light meal and snack menu available from 11am till 4pm.

Enjoy. Bring family and friends too.

Best regards,
Graham Langmead
