

COMMUNIQUÉ

Being a special communication to residents

15 December 2016

Good day to all fellow Evergreen Broadacres Residents,

External transport

Thank you to all of you who responded to the original communiqué on this subject. The exercise is now complete and we wish to advise....

1. Residents wishing to take advantage of the transport to local shops are requested to contact the volunteer driver for the required day 24 hours in advance. This is to facilitate collection and to confirm times of departure and return to Evergreen village.
2. The responsibility lies solely with the resident needing transportation.
3. Residents wanting transport for doctors' appointments in the area are requested to arrange with the driver a few days in advance.

Please remember that...Communication is the key to our volunteer programme.

Thanks

Atholie Preacher
