

COMMUNIQUÉ

Being a special communication to residents following a ResCom meeting

10th February, 2017

"Dear Mr. Chairman"

Dear fellow residents,

Your ResCom wants your feedback and to this end we have made* a special box for you to pop a note with your thoughts, suggestions, comments, gripes and groans as well as accolades into. The box will be locked and the Chairman will have the access key. It will be cleared once a week and we ask that you identify yourselves on the note so we can give personal feedback to you.

Use any paper you wish but there is special "Dear Mr. Chairman" paper at reception. And the box will be housed near reception just ask Rene and she will direct you. If you wish your contribution to be limited to the Chair and ResCom please state CONFIDENTIAL on the note so that any ensuing general messages will not identify you.

We respect everything that you have to contribute to our continually striving to achieve our slogan...

"Together let's make EVERGREEN the village of our dreams"

...and we sincerely hope that this will stop any grapevine talk so we can hear first-hand and from you and attend to your contribution.

*Special thanks go to Basil Bold ResCom Special Projects Portfolio leader for his handy work in producing the box.

“

Best regards,
Graham Langmead
Chairman of ResCom
