

COMMUNIQUÉ

Being a special communication to residents following a ResCom meeting

10th February, 2017

WARNING TO DOG OWNERS

Dear fellow residents,

At the recent ResCom meeting we were made aware of a large sign in a public park in Douglasdale. Evidently it urges dog owners to remove their dog's poo because dog poo apparently is *the primary carrier of PARVO VIRUS which can be fatal to other dogs.*

Once again we plead with all dog owners to pick up their doggie doo not only in the interests of all dog's health but also to stop flies and shoe poo!

Best regards,
Graham Langmead
Chairman of ResCom
Unit 66

“Together let's make EVERGREEN the village of our dreams”
