

RESIDENTS' FUN WALK – SATURDAY 8th APRIL

The above event is taking place **this Saturday afternoon**. So far I have received very few signed Indemnity forms. Please will everyone intending to take part in the event complete their Indemnity forms as soon as possible and return them to me at Unit 80, together with a contribution towards the costs of **at least R30**. Volunteers and any others attending the event must do the same just in case you have too much **free Champagne & Orange juice** and fall over and injure yourselves. I need to know how many people to cater for and what beverages I must buy.

Amdec have again agreed to pay any shortfall in costs this year but have said that as this is an internal event, Rescom should be asked to do this in future. However with the enthusiasm and support shown by the residents, I am sure this will not happen.

Dogs on leashes are welcome, provided they obey the House Rules **in regard to toilet use** and are not a nuisance. Dog walkers will start after the main group have gone off, followed by those doing the 700 meter dash.

We encourage as many walkers as possible to enter the event so that we can break last year's record of 71 walkers. **Those of you who do have Team Evergreen T-shirts please wear them.**

Will walkers please gather at the clubhouse by 4.30pm to finalise the admin so that we can start at about 5.00 – 5.15pm?

See you there, Ernie
