

COMMUNIQUÉ

Being a special communication to residents

31st March, 2017

Dear fellow residents,

PLEASE!!! ON SOCIAL EVENINGS

Remember what you order and take ONLY that dish. IF you don't remember ask Hendra she has a list she can check on.

There was an embarrassing situation last Wednesday when a number of you ordered the Korma Curry and opted for the Pork when you came to dish up. Hendra had catered for 6 extra but even then ran out due to those many who changed their minds at the dish up area.

As a result some had to wait for Hendra to prepare more and some reluctantly took the curry instead.

PLEASE be considerate and thereby avoid such embarrassment and unnecessary turmoil.
