

COMMUNIQUE

Being a communication to residents on the Annual General Meeting 2017

Dear fellow residents,

29th July, 2017

By now you will have received notification of the above at 3pm on Tuesday 8th August in the clubhouse.

You should have noticed that there will be no matters for discussion accepted from the floor and anything you wish to raise needs to be provided in writing to Roy or Rene by the deadline of 4pm on Tuesday 1st August.

It is the opportunity for you to ask Evergreen Management the questions you have about the village, the clubhouse, the traffic etc. To raise any concerns you might have. To share your observations and suggestions. So act now.

Cheers for now, Graham Langmead (Chairman)
