

COMMUNIQUÉ

Being a communication to residents about Security Concerns

Dear fellow Residents,

23rd August, 2017

We have received news of a recent armed robbery at 'Rich Meadows' in Richard Street at 2.20pm (in the afternoon) which involved blocking the resident in their car at the entrance with a BMW and robbing them of their possessions.

Whilst we do not want to scare our residents unnecessarily, it is incumbent on us to ensure that you are aware of your surroundings when driving home at any time and if you feel that the car behind you is suspicious, continue past our gate and go around the block.

The arrangement where you phone the guardhouse ahead of your arrival is working well and serves to ensure an incident free homecoming.

Please make sure you have the guard house number in the contacts section of your cellphone and if you put a 1 in front of the contact, it will always be visible as the first item on your list.

'Guardhouse Number 071 173 2406'

Be careful out there

Cheers,

Chris Edwards, Communications Portfolio on behalf of your ResCom.
