

Dear Residents of Evergreen Broadacres,
It was with heavy hearts that we heard this morning
of the sudden passing of Mavis Powell.

As much as it is a sad time for her family and friends,
She and they are in all of our thoughts.

She was well known in our midst and we do hope and trust
that the wonderful memories of the many years shared
will live on forever.

It is however a blessing to know that she is now without
the earthly problems and pain that life brings us.

We share the family's mourning
and ask all to please respect their privacy at this sad time.

Evergreen Broadacres Residents Committee.
