

Nature & Birding Group: Bird Walks.

Andre Marx will be taking two walks later this month, which, given how much birdlife has been seen at Random Harvest recently, will be a real treat to bird lovers. Andre's depth of knowledge about birds, their behaviour and habits, makes these walks a worthwhile treat.

The first walk is on the 23rd December and the second the following Saturday, the 30th. Departure from Evergreen will be at 06.30hrs and shared transport will be arranged.

The cost is R145per walk which includes buffet breakfast and welcoming tea, coffee and biscuits, all served in the relaxing and beautiful nursery garden. As these walks are popular, early booking is essential – I will make the first reservation this Friday, the 8th, and will follow up with a later supplementary booking if necessary. Call me on Ext.101, or email dick.sheppard@telkomsa.net

All are welcome, the Group is open to all residents.
