

## COMMUNIQUE

### Being a communication to residents regardig Ivar Skanke

Dear fellow residents,

By now no doubt you have heard via our incredible word of mouth communication network that our dear friend and pillar of the village, Ivar Skanke, has been unwell over recent days. He was hospitalised and has now returned in to the care centre.

Sister Linda has asked us please to be judicious in visiting him and to adhere to the following visiting hours at this time...

- 11.00 to 12.00
- 15.00 to 16.00

As we all know rest in recuperation is vital so in all interests please adhere to these visiting times.

Thank you in anticipation of your cooperation.
