LIBRARY NOTES

A plea from the Library ladies,

- Please ensure that all books borrowed from the library are recorded in the log book when the book is taken out *and upon its return.*
- Please do not pass a book on to a friend or colleague without first recording this in the log book.

- Please ensure that all books borrowed by non-residents are signed out via a resident. Enter both names in the log book.
- Please return books within a reasonable (4-6 weeks?) time.
- Please look in your book shelves for any forgotten library books. We seem to have “lost” several books, some of which are very popular and have been requested by other residents.

Any help would be appreciated.

***Many thanks
Libby and her Ladies***
