

COMMUNIQUÉ

Being a communication to residents about dogs looking for a home

Dear fellow Residents,

19th February 2018

URGENT

Wendy Chemaly, from unit 122, is now currently residing in the Care Centre and the family have decided to let her stay indefinitely.

They say their Mom has 2 Yorkshire terriers and the family are wondering if anyone in the village would like to take these 2 lovely doggies? They don't have to go together as they will be fine on their own.

If you are interested please contact....

"Bianca Bonnet" bbonnet@heronbridge.co.za

Cell No 083 770 7702

Should anyone decide they would like to take the one or two Doggies please would you inform the Village Administrator, Rene Kleynhans, on extension 206, as records need to be kept of all the pets in the Village.

If she has not heard from anyone by Friday 23rd she will assume no interest and then have to explore other avenues.
