

# CALLING ALL RESIDENTS

We have a beautifully furnished clubhouse which is thoroughly enjoyed and used to the fullest, except for the "Craft "room, the room behind the bar area. This room is under-utilized due to lack of furniture and adequate storage space.

This is a call to all interested residents who have ideas and would like to get involved in craft work or other activities such as -

- Art
- Sewing
- Jewellery making
- Decoupage
- Mosaic
- Flower arranging
- Line dancing
- Darts

Let's meet in the "Craft "room on Wednesday 25 April, at 4pm, and over a glass of wine and some nibbles, discuss plans for the layout of the room, what furniture or fittings would be needed, and what activities you'd like to organize.

All are welcome whether staying for the Social evening or not. No booking required, just come with your wine and ideas, and together let's create something special in our village.

For more information contact Elske [176] or Libby [102]
