

## COMMUNIQUÉ

Being a Communication to Residents about St Georges Social Evening

20<sup>th</sup> April 2018

Dear fellow Residents,

### On Wednesday 25<sup>th</sup> April - We Celebrate St Georges Day and Shakespeare's Birthday

We will be having a themed (wear Red and White) social with a song and light show in the Clubhouse to celebrate being English.

The area of the globe known as the United Kingdom, British Isles, and Great Britain is home to various tribes making up the British people. We have celebrated the Scots, Welsh and Irish and now it's the turn of the English.

St George is the patron saint of England and he wasn't English but we won't go into that. He slew a dragon to save a maiden, but they don't exist, the dragons I mean. In fact, he was a bit iffy. So now we come to Shakespeare... he did exist!

So please join us at 5pm for a night of jollity and fun.
