

COMMUNIQUÉ

Being a communication to residents about Dr Brendan Blair

Dear fellow Residents,

7th May 2018

Dr Brendan Blair presently visits patients in the Care Centre on an ad hoc basis.

He will be consulting in the Care Centre Clinic for our Evergreen Residents on Monday 14th May from 08:00 - 14:00 and again on Monday 28th May from 08:00 - 14:00.

Appointments should be made with Siphon, the Care Centre Ward Secretary, on ext 220.

A copy of your Medical Aid card, as well as your ID, needs to be handed to Siphon BEFORE the appointment in order to assist with the administration and not on the day of your appointment. Siphon will gladly assist you in making copies if you are unable to do so.
