

COMMUNIQUE

Being a communication to residents regarding ResCom need

Subject: Functions & Catering Portfolio

Dear Evergreen Broadacres Residents,

Bev Jackson has indicated that she's no longer available to continue as leader of this important portfolio and this is a personal appeal to you to consider playing a role. We're looking for somebody to lead this portfolio together with a team of 3 or 4 other ladies and /or gents who are prepared to make themselves available as permanent members of the portfolio sub-committee.

The Functions & Catering portfolio has been the foundation of the ethos of our wonderful village and I have little doubt that it is the most important portfolio on the ResCom. We've also realised that it isn't a portfolio that can be filled by a single person. All the portfolio members must of course have an interest in making this a happy village, or as per our motto, 'To make this the village of our dreams.' The leader we're looking for have a bubbly personality, have strong planning, organising and delegating abilities, and be menu wise, while the other members must have an interest and / or skill around catering, organising our special functions like the Wednesday socials and other event evenings (Burns night/St. Patrick/American independence etc.).

There is no doubt that with the right sub-committees in place, besides being a vital and important portfolio, this could also be an extremely rewarding, fun experience for everyone involved. With the RAM only a week away we desperately need folk to urgently consider serving our community in this way, please let me know as a matter of urgency.

Hoping for your urgent & positive response,

Graham Langmead
Chairman of ResCom.
