

BROADACRES VILLAGE RESIDENTS COMMITTEE

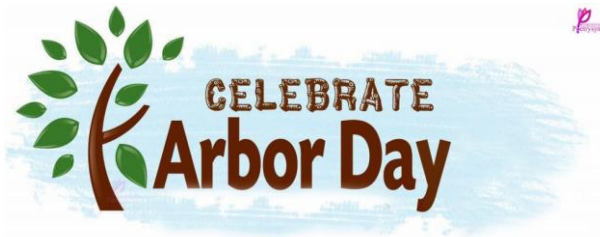

COMMUNIQUE

Being a communication to residents about Arbor Day 2018

16 August 2018

Dear Residents,

Spring is about to spring and as has become our tradition, we will again be celebrating Arbor Day, this year on **Saturday 8th September**. Please diarize this day – a programme of events for the day will follow.

The Arbor Day tradition started in 2013 as an initiative of the Phase 1 residents. Simply, we wanted to make our contribution to enhancing our village in line with our motto ***'Together let us make this the village of our dreams'***! Initially the events were entirely funded by residents, but latterly, in appreciation of our efforts, ELV (Evergreen Lifestyle Villages) has contributed as well.

To continue this tradition we are once more appealing to you to make a **voluntary** contribution. ELV has again agreed to match our contributions on a Rand-for-Rand basis. We have to-date planted some 150 trees and 110 shrubs, and this year we hope to plant another 20 – 30 trees dependent on your contributions.

As you can imagine, without this initiative, our village would today have been a very much bleaker place!

The holes would have been pre-dug and compost delivered. On the day, volunteers will do the planting and watering while the rest of you will cheer them on. A small team of gardeners will be available to help.

Please make your contributions SOONEST to:

By EFT to:
