

**BROADACRES VILLAGE RESIDENTS COMMITTEE**

**COMMUNIQUÉ**

**Being a communication to residents about Our Craft Market**

20<sup>th</sup> August 2018

**PLEASE DIARIZE**

**CRAFT MARKET SATURDAY 10<sup>TH</sup> NOVEMBER 2018**

It is that time of year again. Please get out your sewing machines, knitting needles, mixers, cake recipes, beads, etc and get going to give us really special items for Evergreen's Craft Market!

There is also a White Elephant Stall, run by Libby Baker and her team, so do not throw away anything that is saleable, e.g. vases, ornaments, mirrors, jewellery, cloths etc. Funds from this stall are donated to ResCom and the Guide Dog Association.

Prices of tables will be R25 full table and R15 half table with R35 for non-residents (any size). If you know of anyone who may be interested in taking a table, within Evergreen or outside, please ask them to contact me to book a slot. We want a good variety but not too many duplicates. With your support, as always, this will be a great success!!!
