

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE

Being a Communication to Residents about The Cavern Resort

31 August 2018

Dear Residents,

This is a reminder that the Cavern Resort will be hosting a talk by Mr. David Johnson who is a bird and nature expert.

The talk is based on the very scenic and spectacular Northern Drakensburg where the Cavern Resort is situated.

They run a pensioner special throughout the year and we therefore would like to give the Residents of Evergreen a more detailed look into the Northern Drakensburg and what it has to offer.

The Cavern will also sponsor a prize which is a free, two nights stay, including all meals and teas for two people in standard accommodation.

**We would like to welcome David here on Friday, 7 September 2018 at 10am.
Please RSVP Jacky on Ext 200**

A TALK BY NATURE SPECIALIST
DAVID JOHNSON

Date: Friday 7 Sept 2018

Time: 10am

Venue: Evergreen Lifestyle Estate

David Johnson, an ornithologist, with a keen interest in all things natural, will give you a brief view of the wonders of the Northern Drakensberg, beginning with the geology and scenery. Then we look at a few of the most important and interesting plants and animals, with emphasis on endemism - the fact that many are found only in the Drakensberg. We end the slide show with a look at The Cavern Drakensberg Resort and Spa, what wonders you will find there PLUS what specials they have up their sleeve this year!

Tea will be served after the talk. One lucky attendee will win a 2-night stay for 2 adults sharing at The Cavern Resort and Spa, including all meals, teas and guided morning hikes.
